Season of Hope 2009 Sponsor Response Form

Seasons Greetings!

Since 1999 Caring Communities has coordinated a community-wide effort to provide holiday gifts for the children of families who live in poverty. You can share in helping to meet the needs of children in St. Francois County by participating in Season of Hope. Here's how you can help:

- **Your family, organization, group, business, or church can sponsor a family from your own community.** Determine the number of children you are able to help and return the commitment form below. On or before **November 11th** we will begin sending information to sponsors about the family with whom they have been matched; specifically the children's ages and their "wish list." We simply ask that you do what you can to fulfill the children's wishes.
- **You may purchase and donate toys.** Please call 431-3173 for a list of the most requested toys and information on drop-off points.
- **You may send a cash donation to be used to sponsor a child/family.** Involve everyone in your organization or business by creating an opportunity for them to contribute.
- **You may purchase a Gift Card for teen clothing** (Wal-Mart, JC Penney, Glik's, Fashion Bug, etc.), or cell phone cards for teens

We would like to pair every family with a sponsor to better meet the requests of families and expedite the entire process. We appreciate your assistance in helping all families in St. Francois County experience a joyous holiday season. Warmest wishes for happy holidays.
