

ST. FRANCOIS COUNTY COMMUNITY PARTNERSHIP'S

Partnership Report

March 2024

Partnership News!

Our Mission

To build, nurture, and strengthen families, insuring that every person has the opportunity to become a healthy, productive, and contributing member of the community.

Our Goals:

- Parents Working
- Healthy Children & Families
- Children & Families Safe in Homes & Communities
- Children Prepared to Enter School
- Children & Youth Succeeding in School

Greetings Everyone,

After seven years of outstanding service, Executive Director Bill Bunch will be retiring as of March 31, 2024. Bill has been a valuable asset to the partnership since he came on as executive director in 2017. He says his future plans are to spend time with his grandchildren and playing as much golf as possible. We want to thank him for his dedication to the partnership and wish him the best in his retirement.

The Health and Resource Expo set for Saturday April 13th from 8am to noon, is a little over a month away, and this year it promises to be bigger than ever. We are excited to be holding the event in the new Career and Technology building at Mineral Area College in Park Hills. This is a state-of-the-art facility with plenty of room for our growing expo. As of today, we have 68 confirmed vendors with several more we expect to hear from soon.

If you have never attended the Health and Resource Expo, we encourage you to do so. There will be health screenings available, as well as resources on how to make yourself healthier and stay healthy. This year we will be introducing our “Kid’s Korner” at the event. All of the resources that are available for children from early childhood through the teenage years will be organized in this area. There will be activities and entertainment for the children at these booths.

Missouri Baptist Medical Center will have their Mammogram Van available again this year. If you are a woman age 40 to 64 and are uninsured or underinsured, you can contact them at 314-956-9829 to schedule your free mammogram.

We have many new vendors this year that will be bringing a lot of new resources and information to the expo. Twin City Toyota will be there with information about their new Mobility Van line. If you are looking for a new handicap van, this would be a great place to learn more about this product that Toyota has to offer. St. Francois County Rotary will be bringing their “Hidden in Plain Sight” drug prevention trailer. This trailer is a mock up of a room showcasing how drugs can be hidden in plain view reminding us of the danger’s children

(pg. 1 cont.)

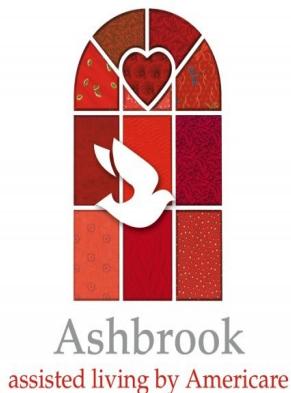

There will also be numerous door prizes to be given away including bicycles, skateboards, camping equipment, outdoor games and activity sets, gift cards, and even a set of 4 Cardinals Baseball tickets compliments of First State Community Bank.

The 25th Annual Health and Resource Expo is shaping up to be a very fun and informative event, and we want to invite everyone to join in on the fun. So, mark your calendars for Saturday April 13th from 8am to noon and come on out to Mineral Area College at 5270 Flat River Road in Park Hills and learn more about the amazing resources this community has to offer.

Dawn Sander,

SFCCP Office Manager

Thank you to these Sponsors for Making our 25th Annual Health and Resource Expo Possible!

Places to go and things to do locally!

The Space Museum and Grissom Center: 118 East School Street, Bonne Terre, MO 63628. 573-358-1200 www.space-mo.org

St. Francois County Raceway: 114 Woodlawn Dr, Park Hills, Mo. www.sfcraceway.com

Missouri Mines State Historic Site: 4000 MO-32, Park Hills, Mo Learn the history of Lead Mining in the Missouri Ozarks and tour the former St. Joe Lead Co. lead processing plant. Open 9-5 Wednesday through Sunday April through October. Be sure to visit www.mostateparks.com for more information.

Johnson Shut Ins State Park: 148 Taum Sauk Trail, Middle Brook, Mo. Experience the geological wonder of the Shut-Ins. Make it a day trip or a camping trip, there is lots to explore. For more information visit www.mostateparks.com

Elephant Rock State Park: 7406 MO-21, Belleview, MO. Check out the 1.5-million-year-old granite rocks that resemble a line of elephants in a circus. Don't forget to check out the ruins of the old railroad engine house, and experience a bit of the quarrying and railroad history in the area. For more information visit www.mostateparks.com

St. Francois State Park: 8920 US Highway 67 North, Bonne Terre, MO. Forested ridgetops and cool hollows offer a great retreat from the day to day life. The park offers many activities such as camping, hiking, picnic, and swimming. Visit www.mostateparks.com for more information.

St. Joe State Park: 2800 Pimville Rd, Park Hills, Mo. One of the only 2 off-road parks in the Missouri State Park System. Other activities offered at St. Joe park include: hiking, camping, equestrian trails, picnic sites, fishing, and swimming just to name a
